

WELCOME MADISON MARQUETTE AND CHESTERFIELD MALL

MaxSent is pleased to announce our newest partnership with Madison Marquette and their retail property, Chesterfield Mall in Chesterfield, Missouri.

MaxSent's team traveled to Chesterfield in December to meet the team and provide guidance for a smooth transition. We are excited to have this opportunity to enhance our presence in the retail space and provide outstanding security services for our newest client.

always helping to make MaxSent better. Last but not least, our amazing corporate staff that tolerates my crazy ideas and understands the importance of everything they do to support every officer and client. Thank you to every one of you for believing in MaxSent!

The future looks brighter than ever for MaxSent. MaxSent now has a reputation for excellence and we are afforded the opportunity to routinely submit proposals on a national scale. If the next ten years are anything like the first ten it is going to be an amazing journey that I hope everyone will enjoy as much as I know I am going to.

MAXSENT CELEBRATES 10TH ANNIVERSARY

Todd Pattison, President/CEO MaxSent

On February 1, 2007 MaxSent was incorporated with one singular idea - to be the very best provider of security officer services each and every minute of each and every day. The goal was to be "Exceptional Without Exception" and to raise the bar on the level of customer service provided by every member of the MaxSent family to every client, every employee of MaxSent, and to everyone any MaxSent employee encountered throughout the course of performing their duties.

For the first few years, MaxSent's "world headquarters" was my kitchen table. It took many months to get the proper licenses and insurance coverages in place before service could begin. Ten years later we are still providing service to the very first clients MaxSent was awarded contracts with. To date I am extremely proud to say MaxSent has never lost a contract for service related issues! That is a true testament to the commitment to excellence every single MaxSent employee makes when joining the MaxSent family!

Today, MaxSent is licensed in thirty-four (34) states and provides armed and unarmed security officer services in 30 of those states. MaxSent officers have received many awards and commendations for their individual efforts and outstanding customer service. Several MaxSent officers have gone on to successful careers in law enforcement.

There aren't enough words to express my gratitude and appreciation for all of the amazing clients that have given MaxSent the opportunity to be their security service provider. There is an endless list of dedicated officers that understand the MaxSent mission and perform it on a daily basis no matter the weather conditions or time of year. Our supporters who continue to believe in the dream of MaxSent and have been there throughout the journey

WINTER WELLNESS TIPS

Shorter days, more time cooped up, flu season, darkness – Winter can have a significant impact on our moods and immune systems. Follow these five Winter Wellness Tips to improve your mood and boost your physical health.

Wash Your Hands - It's simple hand washing that can stop germs from spreading from one person to another and throughout an entire community. It's one of the easiest, most effective ways to avoid getting sick.

Eat the Rainbow - A healthy, nutrient dense diet is the best defense against sickness of any kind. Incorporate fruits and veggies as much as possible to increase your nutrient intake!

Get Outside - Make an effort to get outside in the light and fresh air at least once a day. Not only is it good for replenishing your vitamin D needs (a key nutrient that aids our immune system and that most people become deficient in during the winter), but it also gets you out of the house!

Move Your Body - A regular workout routine is actually prime booster for your immunity. It REDUCES the risk of cold and flu, while improving your mood and raising your energy levels that can be so easily zapped in the winter.

Stay Positive - The best way to beat the winter blues is to get outside daily (as I mentioned above), but also bolster your diet! Find activities that improve your mood and make you smile.

MAXSENT GIVING BACK

On Saturday, January 28th, MaxSent was pleased to sponsor one of the most exciting events of winter – the 21st Annual MSP (Maryland State Police) Polar Bear Plunge where Plungers take a quick dip in the Chesapeake Bay to raise funds for Special Olympics Maryland, the state's largest year-round organization devoted to sports training and competition for children and adults with intellectual disabilities. Together with over forty participants, team "Never Satisfied" raised just over \$17,000 to benefit Special Olympics!

Team "Never Satisfied" pictured below.
